- 
- A great opportunity lies before us. It is the same opportunity that has presented itself to the Church for decades
 - We are not trying to train up new volunteers to fill the gaps left by declining clergy numbers or make people work even harder
 - Develop a learning culture that will resource, support and develop lay discipleship
 - Be responsive

You want to do this
but you're not quite
ready to start or
restart it.

Either stop doing or revisit
at a later date

Your priorities: you
want to get
everyone involved.

*We cannot continue giving
individual clergy ever larger
groups of parishes and expect
anything other than a dilution
of their ministry*
